

THE OPPORTUNITY AGENDA'S CREATIVE CHANGE

2016:

A RETREAT AT
SUNDANCE

AT THE

INTERSECTION OF
ARTS, ACTIVISM, AND
SOCIAL JUSTICE

Monday, July 18 – Friday, July 22, 2016

The Opportunity Agenda is pleased to recognize the generous support of the Ford Foundation, Nathan Cummings Foundation, Open Society Foundation, JPB Foundation, The Libra Foundation and Unbound Philanthropy for this year's work.

Welcome to The Opportunity Agenda's 2016 Creative Change Retreat!

On behalf of all of us at The Opportunity Agenda, welcome to the Creative Change Retreat!

Over the next four days, we invite you to step into a place of connection, reflection, and creativity. You and your fellow attendees are an incredibly diverse group of folks, drawn from the worlds of the arts, entertainment, advocacy, activism, and philanthropy. We're here to help catalyze those multiple connections and collective talents across fields, issues, and geographies to move hearts and minds toward greater and more equal opportunity for all. Don't forget that no matter what perspectives you bring, your ideas, inspiration, and participation are vital to making this retreat a success.

This retreat kicks off with a conversation that seeks to lift up and embrace both the challenges we are facing and the incredible opportunities for social and cultural transformation inherent in this unique moment. This year, the nexus of pop culture and intersectional movements has emerged as a frame with which to organize our dialogue. We hope this lens is a starting place, not a boundary, for the sharing, inquiry, and collaboration that are at the heart of our time together.

The Opportunity Agenda is celebrating its 10th Anniversary and, more than ever, we are committed to the belief that cultural change is essential to sustainable long-term social transformation. We welcome you to our diverse and dynamic community of creative-changers across the country.

Thank you for taking time out of your busy schedule to join us here at Sundance, a place that has become synonymous with a commitment to the arts and the natural world. We hope you will find the legacy and inherent beauty of this setting to be an inspiring backdrop for our time together. We look forward to creating an engaging space that honors your contributions to it!

Best regards,

Alan Jenkins

Wireless and Computers

Sundance provides high-speed wireless internet access in your hotel room. Select “Sundance Wireless” for your user connection. There is no password needed. We recommend that participants bring personal laptops, and those with Macs should bring a VGA adapter in order to project images and video. In common areas, such as the Redford Conference Center, please use “Sundance Conference” for your connection. The password is **22A8OR**.

Social Media and Privacy

For participants who choose to share their Creative Change experience online, the retreat’s hashtag is **#CreativeChange16**. In addition, The Opportunity Agenda runs a **private Facebook group – Creative Change Participants (which you will be invited to join)** in order to connect its attendees and alumni during the retreat and beyond.

However, we ask that all participants be respectful of the privacy of other participants and the sensitive nature of conversations that occur at the retreat with regard to using social media and posting pictures during or after the event. Social media users are asked to not discuss participants by name or to tag others in photos without first securing their permission. Additionally, social media participation should respectfully be reserved for breaks and free time, not during presentations or discussions—this is particularly true given that program sessions are considered “no-phone zones.” Although members of The Opportunity Agenda staff will be taking notes and capturing images, we also want to underscore that individual comments and conversations are off the record and completely confidential.

No Solicitation

While Creative Change is intended to fill you with ideas and introduce you to others in and out of your field, we ask that you be respectful of the “no solicitation” spirit of the retreat. Please save business inquiries or pitches for work or funding for a later date, and focus on sharing, exploring and building bridges to a more inclusive and just future.

WHAT YOU NEED TO KNOW ABOUT SUNDANCE

Created by Robert Redford, Sundance is a haven for discovery and inspiration that offers diverse mountain recreation experiences year round. Sundance is situated at the base of 12,000-foot Mt. Timpanogos on 5,000 acres of preserved wilderness, and is committed to the balance of art, nature, and recreation.

Here are some tips for your visit:

- ▶ **Temperatures fluctuate** and a 30-degree temperature swing in one day is not unusual. While daytime highs can reach 90 degrees, nighttime lows sink to the mid 50s.
- ▶ **Dress in layers:** in July Sundance is hot and sunny with fairly low humidity and cooler evenings.
- ▶ The occasional brief afternoon thunderstorm is not unusual. **Come prepared for rainfall.**
- ▶ **Please bring a warm hat and a wind resistant/fleece-style jacket** or other similar cover-up. We will be doing an evening barbeque and bird release, and by the time the sun goes down it will be very cool.
- ▶ **Apply and re-apply sunscreen** and lip balm to exposed areas.
- ▶ **A brimmed hat and sunglasses** are recommended to protect your eyes from the glare.
- ▶ **Please bring a water bottle** — they will not be provided.
- ▶ **Drinking extra water and minimizing your alcohol intake** can help you adapt to the altitude.
- ▶ Please **bring sneakers or trail shoes** for low- to medium-impact walking and hiking.
- ▶ **There is NO town within walking distance of the property.** There is a small shop in the main building with toiletries, but if you need prescriptions, specific foods, or other items, you will have to travel by taxi to the nearest town. This will be very inconvenient and expensive. We recommend that you **pack well!**

GETTING AROUND SUNDANCE BY SHUTTLE

Sundance offers free shuttle access around the property. For shuttles from the lodging rooms, guests can touch the operator or front desk button or call ext. 4020 or ext. 0 to place their request. We recommend calling the front desk to request a shuttle at least 15 minutes prior to your desired departure time.
